Supply chain statement

Dear valued customer,

CleanMark products are manufactured at our facility located in 6700 SW Bradbury Ct, Portland OR 97224, which operates in full compliance with ISO 9001:2015 quality management standards. This certification reflects our commitment to maintaining the highest level of quality throughout our manufacturing processes.

Upon completion of production, all products undergo rigorous quality control measures. The Quality release for CleanMark products is conducted at our dedicated Quality Assurance site located within our manufacturing facility location, which ensures that every product meets our quality requirements before being approved for shipment.

By adhering to the ISO 9001:2015 standard at our manufacturing site, we ensure that CleanMark products consistently meet and exceed customer expectations, delivering precision and reliability in every shipment.

Sincerely,

A handwritten signature in blue ink that reads 'Cameron McKillop'.
